

# The Perils of the College Drinking Culture

A program of the Unified Prevention Coalition of Fairfax County (UPC), in collaboration with the Fairfax County Police Department

Join us for an award-winning film to educate parents and students about the dangers of alcohol and binge drinking. The film contains graphic imagery but is a must-see for all parents, their college-bound teens, and anyone who is concerned about the dangers of underage and high-risk drinking. Make plans to attend one of the upcoming forums being held across Fairfax County in 2012. For more information about the film, visit [www.gordie.org](http://www.gordie.org).

**A distinguished panel will be on hand to answer questions. Among those who will take part are:** Raymond Morrogh, Commonwealth's Attorney for Fairfax County, and his deputy Casey Lingan; William Hauda, M.D., emergency physician, Inova Fairfax Hospital; Fairfax County Police Chief David Rohrer and Captain Bruce Ferguson, Commander, Youth Services Division; Jeff Levy, father of a student who died following drinking at a college party; and Ryan Smith, a Virginia Tech graduate student.
